Experience

Graphic Designer
Re:Build Tekna, *Kalamazoo MI*
May 2026 – Present

- Collaborated with a design team, engineers, and marketing teams, to create branded assets for corporate clients and products.
- Designed a social media template system for the marketing team's ease of use including posts welcoming, recruiting and announcing new hires, conference posts and panel speaker templates.
- Worked alongside other designers to create a variety of digital assets for a national brand including icons, a consistent graphic style, web-banners, and animated advertisements.
- Designed a variety of print assets as well such as a safety brochure for a large battery that required good hierarchy and clear organization of information.
- Balanced many projects at once and developed more printed assets such as Welcome Box kits, large banners, print labels, and stickers

Digital Marketing and Graphic Design
Mama Mir's Kitchen, *Napoleon OH*
May 2024 – August 2025

- Designed and executed all marketing efforts for a food-service business.
- Designed advertisements for catering, single-serve meals, frozen food and fresh meals for a wide range of customers.
- Developed and built a marketing calendar that laid out a social media plan for the following year.
- Developed a consistent identity within a website, logo system, brand voice, branding guideline, and reusable content templates.

Freelance Graphic Designer
December 2020 – Present

- Designed event t-shirts, Christmas Cards, branding, and other graphics for a range of clients including La Salle University, 37th Street Bakery, Upper Dublin Chinese American Association and more.
- Worked directly with clients and often had to balance the needs of multiple stakeholders with the needs of company leadership.
